

THL Biobank Project Progress Report Form

To be submitted to admin.biobank@thl.fi

Application ID: THLBB20 ____ - ____

Project title: _____

Project PI(s): _____

Project status: Ongoing, expected completion date: _____

Completed

Note that if extension to project time is required, please apply the extension well in advance (at least 3 months prior to project end date). See instructions at <https://thl.fi/en/web/thl-bio-bank/for-researchers/manage-your-project>.

Research project progress:

Short description of project progress to date and planned next steps.

Planned changes or extensions in the research plan, if relevant:

Describe the changes or provide updated research plan as an attachment. If necessary, you will be advised to submit an amendment application.

Status of register permission, if relevant:

Is data from national health registers required for the project? If yes, what is the status of the register permission application(s) in Findata or other relevant authorities?

Data analysis status to date:

Type of data analyzed

Type of data analyses performed

Sample usage status to date:

Number of samples used

Quantity of samples used

Type of experiments/measurements performed

Personnel changes in the research group:

Provide name, role, affiliation (including home organization for visiting researchers) and email for all new research group members

Publications:

Planned, submitted or published scientific publications and theses, if any (specify journals, etc.)

If necessary, separate attachments can be used for providing the requested information.

Date and place

Signature

Printed name
