

## mobi **TARMO**

evaluates functioning and supports integration

Mobility difficulties can restrict opportunities to participate in the new environment

Functioning is strengthened by friends in the new home country and a non-discriminatory atmosphere

Sufficient functioning is a prerequisite for language learning and employment

*Functioning describes a person's physical, psychological and social abilities in everyday life. Use our mobile application to test functioning!*

# Culturally sensitive functioning measures in a mobile application - mobi**TARMO**

## Project phases

2017

Choosing functioning measures and testing these in the initial assessment

2018

Developing a mobile application in Arabic, Somali and Kurdish (sorani).

2019

Training professionals around Finland to use the application in the initial assessment.
